The aims of the St Richard Gwyn Catholic High School’s Safeguarding Policy are in accordance with the school’s Mission Statement which expresses the need to develop the full potential of every learner and to value his or her unique contribution to school life.

“Love one another as I have loved you”

Our Mission

To inspire and form young people who are not only academically accomplished, but who are spiritually alert, culturally developed, and able to contribute effectively as Christians in the communities in which they live

Wellbeing

“The state of being happy, healthy, or prosperous”

Our Catholic ethos leads from the commandment “Love thy Neighbour” to the modern initiative on wellbeing. We all have a responsibility to help those in our school community to be happy. We do this by fostering a culture of respect and care for each other whether staff or pupil.

Our Faith

All staff work hard to ensure that pupils’ spiritual growth is in line with their academic and physical growth. It is the work of all, and may take a life time! In simple terms, we adapt our curriculum to include a faith content, we use words that encourage a spiritual outlook and ensure that time is set aside each day for reflection and prayer.

Our Liturgy

Liturgy (literally “service”) is how we show our faith and it is an important element of the school calendar. All staff are asked to take part, role modelling correct behaviour during formal liturgy, and form tutors may be asked to prepare parts of the liturgy with their forms. Assembly (the daily act of worship) and weekly Mass are the basis of this, when present, staff are asked to stand close to their forms or classes and to join in where possible. Hymns are made available electronically so that staff can prepare themselves and their classes. Classroom acts of worship should always be joint services between staff and pupils whoever is leading and appropriate arrangements made in the classroom- a prayer focus, change of lighting, change of voice tone are important.

1. Introduction

St Richard Gwyn fully recognises the contribution it makes to safeguarding and child protection and that children have a right to be safeguarded and protected from harm.

Our policy is informed by a children's rights approach to safeguarding as a principled and practical framework for working with children, grounded in the UN Convention on the Rights of the Child.

There are three main elements to our policy:

- Prevention through the culture, teaching and pastoral support offered to learners;
- Procedures for identifying and reporting cases, or suspected cases, of abuse – because of our day to day contact with children our staff are well placed to observe the outward signs of abuse;
- Support to learners who may have been abused

Our policy applies to all staff and volunteers working in the school and governors. Learning support assistants, mid-day supervisors, caretakers, secretaries as well as teachers can be the first point of disclosure for a child.

Our policy should be read in conjunction with Welsh Government guidance document no: 283/2022 *Keeping Learners Safe*. <https://gov.wales/sites/default/files/publications/2022-04/220401-keeping-learners-safe.pdf>

2. Prevention

We recognise that high self-esteem, confidence, supportive friends and good lines of communication with a trusted adult helps to safeguard learners.

Our school will therefore:

- establish and maintain an ethos where children feel secure and are encouraged to talk, and are listened to;
- ensure children know that there are adults in the education setting whom they can approach if they are worried or in difficulty;
- include in the curriculum, activities and opportunities for Relationships and Sexuality Education which equip children with the skills they need to stay safe from abuse and to know to whom to turn for help;
- include in the curriculum, material which will help children develop realistic attitudes to the responsibilities of adult life, particularly with regard to childcare and parenting skills.
- build relationships with other agencies and ensure early and appropriate referrals for support and intervention are made before risks escalate.
- take a whole school (setting) approach to wellbeing which will incorporate safeguarding and preventative measures to support children and families.

3. Procedures

We will follow the Wales Safeguarding Procedures that have been endorsed by 58 Safeguarding Children Boards. Our school will:

- ensure it has a Designated Safeguarding Person (DSP) for safeguarding who has undertaken the appropriate training;
- recognise the role of the DSP and arrange support and training
- ensure every member of staff and every governor knows:
 - the name of the DSP and their role and the designated governor for safeguarding (DSG);

- that they have an individual responsibility for reporting children at risk and protection concerns to social services, or to the police, within the timescales agreed with the Regional Safeguarding Board; and
- how to take forward those concerns where the DSP is unavailable.
- ensure that all members of staff are aware of the need to be alert to signs of abuse and neglect and know how to respond to a learner who may disclose abuse or neglect.
- ensure that members of staff who are Education Workforce Council of Wales registrants are aware of the Code of Professional Conduct and Practice for Registrants with the Education Workforce Council and the expectation within the Code that registrant has regard to the safety and well-being of learners in their care and related content;
- ensure that parents have an understanding of the responsibility placed on the school/college/setting and staff for safeguarding and child protection by setting out its obligations on the school website
- provide training for all staff so that they:
 - understand their personal responsibility;
 - know the agreed local procedures and their duty to respond;
 - are aware of the need to be vigilant in identifying cases of abuse and neglect;
 - know how to support a child who discloses abuse or neglect; and
 - understand the role online behaviours may have in each of the above
- notify the local authority's social services team if:
 - a learner on the child protection register is excluded, either for a fixed term or permanently; or
 - there is an unexplained absence of a learner on the child protection register of more than two days duration from school (or one day following a weekend).
- work to develop effective links with relevant agencies and co-operate as required with their enquiries regarding child protection matters including attendance at initial review and child protection conferences and core groups and the submission of written reports to the conferences;
- keep digital records of concerns about children (noting the date, event and action taken), even where there is no need to refer the matter to the local authority immediately; at this time schools utilise the 'My Concern' software platform for managing all safeguarding concerns
- ensure that all safeguarding records are managed securely on an approved safeguarding software platform (electronic);
- adhere to the procedures set out in the Welsh Government's Disciplinary and Dismissal Procedures for School Staff;
- ensure that recruitment and selection procedures are made in accordance with Welsh Government's Keeping Learners Safe guidance; and
- designate a governor for safeguarding (DSG) who will oversee the school's child protection policy and practice. Ensuring that this Governor attends the Local Authority Designated Safeguarding Governor training on an annual basis.
- When a member of staff, teaching or non – teaching, is alerted to signs of abuse or neglect s/he should:
 - discuss the issue with the school's DSP or in their absence the Deputy DSP. If the decision is taken that the incident needs to be referred, **the DSP in the case of an emergency where there are immediate child protection concerns must without delay make a**

telephone referral to CYPS by telephoning the Duty Officer on 01446 725202, or out of hours on 02920 788570, in the unlikely event that they are unable to contact CYPS then the referrer needs to dial 999 and report the matter to police as an emergency. This must be followed within one working day by completing the Multi-Agency Referral Form (MARF) via e-mail to: dutymarfs@valeofglamorgan.gov.uk . Cases which do not require immediate child protection can be referred through submission of a MARF. If the “Child in Need” referral box is ticked, the MARF must be accompanied with parental consent. No parental consent is needed for the “CP” referral box.

Advice may be sought prior to referral by discussing concern with CYPS duty desk, or the Safeguarding Officer for Learning & Skills.

Definitions of Child Abuse and Neglect

The Children Act 1989 and 2004 and Social Services and Well-being (Wales) Act 2014 defines abuse as follows;

‘A child is abused or neglected when somebody inflicts harm, or fails to act to prevent harm. Children may be abused in a family or in an institutional or community setting, by those known to them or, more rarely, by a stranger. A child or young person up to the age of 18 years can suffer abuse or neglect and require protection via an inter-agency child protection plan’

- **Physical Abuse**

Hitting, slapping, over or misuse of medication, undue restraint, or inappropriate sanctions;

- **Emotional/Psychological Abuse**

Threats of harm or abandonment, coercive control, humiliation, verbal or racial abuse, isolation or withdrawal from services or supportive networks, witnessing abuse of others

- **Sexual Abuse**

Forcing or enticing a child or young person to take part in sexual activities, whether or not the child is aware of what is happening, including: physical contact, including penetrative or non-penetrative acts; non-contact activities, such as involving children in looking at, or in the production of, pornographic material or watching sexual activities or encouraging children to behave in sexually inappropriate ways

- **Financial Abuse**

This category will be less prevalent for a child but indicators could be:

- not meeting their needs for care and support which are provided through direct payments; or
- complaints that personal property is missing

- **Neglect**

Failure to meet basic physical, emotional or psychological needs which is likely to result in impairment of health or development.

Risk from other actual or potential harm to a child or young person may also result from:

- Criminal exploitation such as county lines (CCE)
- Child sexual exploitation
- Radicalisation
- Female genital mutilation
- Modern slavery
- Honour Based Abuse

For further information on these types of harm visit the [Safeguarding Wales](#) web site for further explanation in the glossary of terms

- the school's child protection policy and safeguarding procedures are:
 - available to parents and carers
 - provided in a format appropriate to the understanding of children, and in particular for children with additional needs

5. Supporting those at risk

We recognise that children/young people who are at risk, suffer abuse or experience violence may be deeply affected by this.

Our school may be the only stable, secure and predictable element in the lives of children at risk. Nevertheless, when at school/college/setting their behaviour may be challenging and defiant or they may be withdrawn.

- Our school will endeavour to support the learner through:
 - the content of the curriculum to encourage self-esteem and self-motivation

- our school ethos which:
 - promotes a positive, supportive and secure environment; and
 - gives learners a sense of being valued (see section 2 on Prevention)
- our school behaviour/relationship policy, which is aimed at supporting vulnerable pupils in the school. All staff will agree on a consistent approach which focuses on needs of the child. The school will endeavour to ensure that the learner knows that some behaviour is unacceptable, but s/he is valued and not to be blamed for any abuse which has occurred;
- liaison with other agencies who support the learner, including the following:
 - Educational Psychology Service, Engagement Services or the Education Welfare Service
 - Child and Adolescent Mental Health Services and advocacy services;
- keeping records and notifying the local authority as soon as there is a recurrence of a concern.
- ensuring that when a learner on the child protection register leaves, we will transfer information to the new provider immediately and inform Social Services.
- having a suitable secure email address in order for notifications to be received as part of Operation Encompass, and to support the child subject of that notification

Practices and Physical

8. Children with Additional Learning Needs

We recognise that statistically children with learning difficulties and disabilities are most vulnerable to abuse. School staff who deal with children with profound and multiple disabilities, sensory impairment and or social emotional and mental health difficulties need to be particularly sensitive to signs of abuse.

9. Prevent Duty

Our policy to protect pupils from radicalisation and extremism complies with the *Revised Prevent Duty Guidance: for England and Wales* (2015)

<https://www.gov.uk/government/publications/prevent-duty-guidance/revised-prevent-duty-guidance-for-england-and-wales>

and Welsh Government guidance document No: 045/2011 *Respect and resilience*

We ensure that staff are compliant with Home Office PREVENT E-learning and that school ensures ongoing security and safety measures are in place to help keep the whole school community safe.

10. Online Learning

As a school we will take the guidance and advice laid out in the *Revised Keeping Safe Online: Live streaming and video conferencing safeguarding principles and practice*

<https://hwb.gov.wales/zones/keeping-safe-online/live-streaming-and-video-conferencing-safeguarding-principles-and-practice>, to ensure that our whole school community is kept safe whilst learning online.

11. The use of images

Photographic and video images of children may be recorded for a variety of purposes. Staff will be required to take pictures of pupils for curriculum purposes, extra school activities, publicity and celebrating achievement.

Particular care should be taken regarding the use of images which may include children who are looked after or children of other vulnerable groups, for example asylum seekers.

Every parent/carer must give specific written consent for any image of their child to be recorded and reminded this should not be shared.

Staff should never use their own personal equipment to retain images.

It is recommended that when using a photograph the following guidance should be followed

- If the photograph is used, avoid naming the child
- If the child is named avoid using the photograph
- Establish and record whether the image will be retained for further use
- Images are stored securely and used only by those authorised to do so: they should be available for scrutiny to ensure acceptability.

12. Recruitment and Selection

Our school is committed to safeguarding and promoting the welfare of children and expects all employees, agency workers, contractors and volunteers to share this commitment.

Safer Recruitment is the first step to safeguarding and promoting the welfare of children in our school by the implementation of a policy and procedures that help deter, reject, prevent or detect people who might abuse children or are otherwise unsuited to working in a school environment.

Based on Welsh Government Guidance Document no: 283/2022 *Keeping learners safe*

Our policy on safer recruitment complies with the with the Vale of Glamorgan Council's *Safer Recruitment Policy* (Revised 2021)

<https://staffnet.valeofglamorgan.gov.uk/Documents/Schools/Schools-HR-Policies/Safer-Recruitment-Policy.pdf>

and *Safer Recruitment Guidelines* and Welsh Government guidance document no: 283/2020 *Keeping Learners Safe*. <https://gov.wales/sites/default/files/publications/2022-04/220401-keeping-learners-safe.pdf>

13. Self-Evaluation and Audit

Our school maintains an up-to-date safeguarding self-evaluation report which is reviewed annually by the governing body and consistent with the Estyn *Self-evaluation form for Safeguarding and Child Protection*

<https://www.estyn.gov.wales/system/files/2020-07/SER%2520For%2520Schools%2520RE%2520SFG%2520%25202017.docx>

or the Welsh Government safeguarding self-evaluation *Audit Tool and Guidance*

<https://gov.wales/sites/default/files/publications/2020-11/annex-3-safeguarding-audit-tool.docx> that accompanies *Keeping learners safe (Annex 3)* as tools for continuous improvement in safeguarding practice.

14. Allegations Against Employees and Volunteers

Any allegation of abuse made by or on behalf of a child will be taken seriously and the child will be listened to and dealt with sensitively. Any concerns will be recorded using the Confide system on my concern which is confidential to DSP and Head teacher only

Our school also has a duty of care to our employees and volunteers and will support individuals subject to an allegation to manage and minimise the stress inherent in the allegations process.

Our school has procedures set out that adhere to the procedures set out in Welsh Government circular no: 009/2014 *Safeguarding children in education: handling allegations of abuse against teachers and other staff*.

When an allegation has been made against a member of staff the Head Teacher must be informed immediately, the Head Teacher will then manage the allegation by informing the Local Authority Designated Officer (LADO) with support from the Learning & Skills Safeguarding Officer.

When an allegation has been made against the Head Teacher, the Chair of Governors must be informed immediately. The Chair of Governors will then manage the allegation by informing the Local Authority Designated Officer (LADO) with support from the Learning & Skills Safeguarding Officer.

and the *Wales Safeguarding Procedures: Section 5, allegations/concerns about practitioners and those in positions of trust* [Safeguarding Wales](#)

15. Safeguarding Training

Our school is committed to ensuring that all staff (permanent and non-permanent) and volunteers undertake the appropriate training to equip them with the knowledge and skills that

are necessary to carry out their responsibilities for safeguarding children effectively, which is kept up-to-date by annual refresher training, this is known as Level 1 training.

Our school ensures that the Designated Senior Person (DSP), Deputy Designated Senior Person (DDSP) for safeguarding, the Designated Safeguarding Governor (DSG) undertake training to standards agreed by the Regional Safeguarding Board. In addition to basic safeguarding Level 1 training it is a requirement that the DSP, DDSP also undertake an annual refresher training, known as level 2 training. In addition, full multi agency training as per the requirements of *Keeping Learners safe*, must be undertaken every 3 years.

16. My Concern

My Concern safeguarding software is used by the school and Local Authority. It is a simple and safe system for recording and managing all safeguarding, pastoral and wellbeing concerns.

Staff record and manage any safeguarding concerns as they occur. Integrated with SIMS, My Concern pulls through the relevant student information across from SIMS to create the student profile in My Concern. Automatic notifications are sent to the designated safeguarding lead when any new concerns are added by users.

My Concern allows schools to facilitate joint working and information sharing with trusted partners and colleagues such as the school's youth mentors or a child's social worker, by adding them as team members to a specific concern or student profile in My Concern. This promotes a complete picture of an individual's well-being and enables the relevant team members to act when required without having to send additional updates by email.

Documents, minutes, MARFs and other referral forms and other types of media can be uploaded and linked to the pupil's record. This minimises the need for paper records and centralises all relevant and supporting information. It enables our school to manage and prioritise actions and evidence the effectiveness of safeguarding arrangements to Estyn, Governors and Senior Leaders and drive improved outcomes for students.

Reports can be created on any combination of categories of concern or student information over a fixed or dynamic time period. Typical reports schools can run include a breakdown of 'total concerns by month', 'concerns by category', 'termly governor report' etc.

Schools have an equal responsibility to ensure that relevant documentation and information is shared in a secure and timely manner with all relevant safeguarding partners.
