ARBOR PARENT PORTAL

Accessing Arbor at St Richard Gwyn Catholic High School

At St Richard Gwyn, we're committed to keeping parents informed and connected with school life, while reducing the amount of paper sent home. To help achieve this, we use the Arbor Parent App and online portal – a simple, secure way to access key information about your child.

What Arbor offers

Through Arbor, you can view important details such as your child's timetable, attendance, and behaviour points, both positive and negative. Over time, we'll continue adding new features, including parents' evening bookings, messages and announcements, report sharing, and sign-ups for trips and clubs – all in one convenient place.

Getting started

To log in for the first time, you'll need to set your password.

- Go to login.arbor.sc
- Click on 'Forgot your password?'
- Follow the instructions on screen
-

Please note – the email address you use must match the one registered with the school.

If you experience any difficulties setting up your account, or have questions about using Arbor, please get in touch with the school office and we'll be happy to help.

Logging in

Once your account is set up, you can access Arbor anytime by:

- Downloading the Arbor Parent App (available on the App Store or Google Play), or
- Visiting login.arbor.sc on your computer, phone or tablet.

If you want to know more about the features of the app, or need support in using it, you can access a bank of help resources [here](#).
